Yes, this is the way we think we should go. M. Petersen wondered when the building would start. T. Petersen and T. Sieverding agreed. P. Hoffman wondered about the heat. T. Weinschenk stated it is not included in the quote. It has been quoted at approximately $15,000. This would be infrared (radiant) heat. Council agrees that the new shed is needed. Approximately $7000 to tear it down and haul it away. The total cost is approximately $100,000. P. COVID-19 AND UTILITY SHUT OFFS: T. Weinschenk explained that in the Council Packet was an example of what another City is using for a shut off notice for water. However, it states in the notice that the City is not going to shut off the water off at this time. T. Weinschenk explained that the State has extended the moratorium for shutting off gas and electricity for non-payment until May 1st. We have been monitoring what other cities are doing and it is being suggested that we do not shut off utilities at this time for non-payment. T. Weinschenk stated that citizens need to be calling if they are unable to pay their bill so City Hall knows what is going on. Sheryl knows a lot of the citizens in time and how they pay. M. Petersen stated that he feels at a time like this want to be able to work with people. That is the kind of community we want to be. T. Sieverding agreed that at a time like this we need some leniency. T. Weinschenk stated that it is best if people can keep up and pay since it is difficult to get caught back up on your bill once you are behind. Council agreed. T. Weinschenk then asked Council if they were in agreement with not shutting people off at this time. M. Petersen stated that yes, he is in agreement, T. Sieverding wondered if it should be on a month-by-month basis. M. Petersen agreed it should be reviewed on a monthly basis. T. Weinschenk said yes, Council will be updated on a monthly basis. M. Petersen wondered if Council could receive a list of outstanding accounts on a monthly basis. T. Weinschenk stated that yes, a list will be provided without names. T. Weinschenk stated that the City was looking at a parks and downtown clean-up in May. Keep Iowa Beautiful, sent out a notice that the state-wide Iowa Pick-up project is postponed. P. Hoffman stated that yes we should postpone this and that the ribbon cutting that was slated for April 22nd is being postponed until maybe Preston Days. In regards to Council Meetings, T. Sieverding wondered if we should cut back to one meeting a month. M. Petersen stated he would rather have two shorter meetings. T. Weinschenk stated that cities are keeping the meetings to essential business. R. Petersen agreed that he would rather have two shorter meetings per month. Motion was made by M. Petersen that at this time Preston will evaluate utility bills and shut offs on a monthly basis and send out notice, but not shut off utilities while the virus affects our community and nation. REQUEST FROM MATHY’S: T. Weinschenk stated that Mathy’s will be transporting blacktop from the Preston Redi-Mix plant and is requesting to drive empty on North Main (234). M. Petersen thought it was fine that they drive back on it empty. R. Petersen said if it is a gentleman’s agreement it is fine. M. Petersen thought it was great that they are being proactive, but is there really anything we can do? Let’s have Jack talk with them and take pictures and if there becomes a problem lets talk about it. M.
Petersen stated we knew this was a patch. T. Sieverding thought it was nice that they reached out even though they did not need our approval, I agree with M. Petersen and having some pictures. Council wants Jack to reach out to Mathy’s. P. Hoffman agrees with this. T. Weinschenk will have Jack reach out to Mathy’s and let them know they can drive empty (not loaded) on N. Main St. and look at the condition of the road now before Mathy’s starts traveling on it.

REPLACEMENT OF MAYOR & COUNCIL: T. Weinschenk stated that she had reached out to the League of Cities and there is 60 days to replace an open seat, however the Governor has extended the time. T. Weinschenk can’t recall how long the extension is, but will get back to Council with the number. The County Auditor has highly recommended appointing if we can. Due to the Covid-19 a special election may not be able to happen. P. Hoffman stated that the Council can appoint, but the community can call for a special election. T. Weinschenk concurred with P. Hoffman. T. Weinschenk also informed Council that Amanda Sullivan, Council Member, presented her resignation effective immediately. T. Weinschenk stated that Council should reach out to community members to see if there is interest in either the vacant Mayor or Council seat. T. Sieverding said to reach out to people and see if they would be interested. M. Petersen if someone is interested have them call T. Weinschenk. Appointment would save Preston dollars.
